

Medical Disclaimer

Touch of Happiness Massage School offers guidance and instruction for incorporating massage and touch techniques into intimate experiences. This is not a professional training and does not qualify the student, upon completion of a course, to practice professional massage.

Touch of Happiness Massage School is not a medical practice and nothing on this website constitutes medical advice or is a substitute for seeking medical advice and emergency assistance.

Professional assistance

Touch of Happiness Massage School take all reasonable steps to ensure that the information submitted to the web is accurate and up to date when publishing.

Touch of Happiness Massage School may amend sections and add, replace, or remove forms or documents without notice.

The information, images and video offered are designed to provide a guide for personal, not professional, situations.

In no event will Touch of Happiness Massage School be liable for any damages including, without limitation, indirect or consequential damages, or any damages whatsoever arising from the use or in connection with such use or loss of use of the site, whether in contract or in negligence.

Touch of Happiness Massage School provides its information in good faith without express or implied warranty.

If you have any questions concerning the appropriateness or use of the information provided by or the information contained on the web pages you must seek competent medical advice.

You must not rely on the information on this website as an alternative to medical advice from your doctor or other professional healthcare provider.

If you have any specific questions about any medical matter you should consult your doctor or other professional healthcare provider.

If you think you may be suffering from any medical condition you should seek immediate medical attention.

You should never delay seeking medical advice, disregard medical advice, or discontinue medical treatment because of information on this website.
